

## Passport Writer Care and Protection Plan

The Passport is an extremely reliable writer, but to keep your writer in top operating condition, yearly maintenance is highly recommended. Because we value our customers highly, we have priced our plan at a fraction of the cost of similar plans offered by our competitors. Our Passport Care and Protection Plan is equivalent to the premium plans of other companies and includes a new backup battery and replacement of worn pads. Any repairs that are required during the term of the maintenance agreement are also covered, exclusive only of problems due to abuse, accidents, or the main battery.

**Reinstatement price of \$499.00**

**Renewal price of \$399.00**
